HOW TO USE UNIVERSITY TELEPHONES

Each University telephone - at the Medical Center and Chicago Circle has been assigned a phone number which consists of three prefix digits (996), followed by four digits. These last five digits are referred to as the University extension number.

- A. When placing a call **FROM OUTSIDE** the University **TO INSIDE** the University, you dial all seven digits of the phone number just as you would when placing any telephone call.
- B. When placing a call **FROM WITHIN** the University - using a University extension telephone - **TO OUTSIDE** the University, you first dial 9, and then the phone number.
- C. When placing a call **FROM ONE** University extension **TO ANOTHER** University extension, you dial only the **LAST FIVE DIGITS** of the phone number.
- D. To call the Peoria School of Medicine **FROM** The Chicago campus phones, dial 133 plus the **FOUR DIGIT** extension (general number is 133-3000), to call the Rockford School of Medicine, dial 132 plus the **FOUR DIGIT** extension (general number is 132-7610), to call the Basic Medical Science or Clinical Schools at Champaign-Urbana, dial 174 and the last **FIVE DIGITS** of the number (general number 174-39284).
